PARISH MISSION STATEMENT

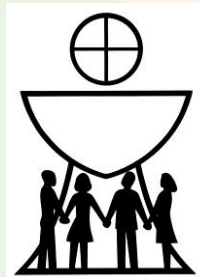

Inspired by God and open to the ever moving influence of His Holy Spirit we, the faith community of St. Stanislaus Kostka and Transfiguration Parishes, gather together to share the loving Word of God and to celebrate the Eucharist. We are witnesses and disciples of the same Christ, living in the same area, joined by the same faith, and led by the same priests to the same Mass and Sacraments in a church that provides spiritual, educational and social activities for ourselves and as many others in the community as possible. We are committed to joining our diversities, working together as a family, to build up the Body of Christ.

May this Mission Statement represent the hearts and minds of us all and be received by God as our churches' newest gift to Him, and used by us as His gift to our churches because it is the fruit of much prayer and faith in His divine guidance.
