Thirteenth Sunday in Ordinary Time

If you can create just one holy moment next Monday, you can create two on Tuesday and four on Wednesday, eight on Thursday, and so on. There is no limit to the number of holy moments you can create, other than your desire and the consciousness to grasp each moment for God as it is unfolding.

Now, it is important to note that you need God's grace to create holy moments. He will never deny you the grace you need. It is never God's grace that is lacking, but rather our willingness to cooperate with his grace.

Opportunities to create holy moments are everywhere. In fact, every moment is an opportunity for holiness. Learning to grasp these opportunities one moment at a time is central to the Christian life.
