

“Start children off on the way they should go, and even when they are old they will not turn from it.”

Proverbs 22:6

Summer 2017

Dear Parishioner Families,

Our communities and world need leaders with a foundation in their faith and strong moral values. That’s the aim of Catholic education at St. Stanislaus Kostka School.

In a nurturing learning environment, based in Christ’s teachings, students find a challenging academic program and an enriching student experience. We invite all parish families to get to know more about our school, our programs, and our dynamic community.

At St. Stanislaus Kostka School each child grows in meaningful ways, learning that they are part of something much greater than themselves and feeling empowered to reach for their highest potential. When our students go on to high school, they not only succeed academically, they also are viewed as compassionate, intellectually strong, faith-filled leaders.

We recognize that the cost of choosing a Catholic education for your children may be a barrier to realizing all the benefits. Our parish is committed to working with all interested families to make tuition at St. Stanislaus Kostka School financially possible. Each year, we assist many of our parish families with need based scholarship support. Monsignor Calise can be reached at 718.326.2185 to discuss the scholarship process.

Expand your experience with St. Stanislaus Kostka School by taking a tour and learning what we offer. Meet the dedicated faculty and familiarize yourself with the challenging academic programs and the learning experiences for the whole child.

To arrange a personal tour of the School, please contact Principal Barbara DeMaio at 718.326.1585. We look forward to welcoming you to our campus and getting to know your family better. In the meantime, please learn more about the St. Stanislaus Kostka School experience at www.ststansschool.org.

Sincerely Yours in Christ,

Rev. Msgr. Joseph P. Calise

Principal Barbara DeMaio
